Fourth of July Celebration and Firework Show!

Please join us at Bridge Street for the Fourth of July Celebration and Fireworks Show! Families will enjoy children's activities and entertainment provided by some of Huntsville's local musicians starting at 3:00 p.m. on July 4th. Proceeds from the event will help the NCAC's [Stop Child Abuse and Neglect \(SCAN\)](#) program. SCAN is a child abuse prevention and safety education program that serves children in the local schools. Funds will also support the Exchange Club of Greater Huntsville's Law Enforcement Banquet that recognizes the unsung heroes that help to keep our community safe.

We would like to give a *SPECIAL THANKS* to the Lockheed Martin Employees Foundation for a generous grant of \$3,500. We would also like to thank The Junior League of Huntsville for their generous grant of \$5,000 to support the local programs and services of the NCAC.

NCAC at the Panoply Arts Festival!

This year marks the 10th anniversary of the NCAC's [National Conference on Child Sexual Abuse and Exploitation Prevention](#) (to be held August 25-27 in New Orleans, LA).

All conference participants will receive a tote bag when they register and this year the tote bag will be different and unique. This April, NCAC employees (as well as employees' spouses and children) joined with the Panoply Arts Festival for a fun filled weekend of tote bag decorating. Local children that attended the festival helped decorate the special bags. These unique tote bags will be distributed to participants from all over the United States and the Virgin Islands. Over 400 bags were painted over the weekend by local children attending the festival. It was definitely a fun time for the workers and the children alike!
