

## CALiO

Online journals and publications are available to Accredited and Associate CACs through NCAC's online library (CALiO) free of charge. You must register with the library to receive a password for your CAC staff to browse and download copies of research articles, publications and journals. Register at [www.nationalcac.org](http://www.nationalcac.org)

## Professional Development

**Need assistance with travel or tuition to a training?** Southern Regional may assist CAC staff members and members of the multidisciplinary team with their expenses to certain trainings. More information is available online, [www.srcac.org](http://www.srcac.org) or scan the bar code:

## 2015 Core Trainings

### TEAM FACILITATOR 101: TBD

This training for Children's Advocacy Center staff/multi-disciplinary team members wishing to enhance their skills as facilitators of team meetings as well as ongoing team communication and relationships. The three-day session will provide insight into strategies for identifying system issues that impact cases and team dynamics as well as helping to promote collaborative decision-making and healthy, productive methods for addressing conflict.

Fee: \$49

### CAC MANAGEMENT: AUGUST 4—7

This training is designed to meet the specialized training needs of individuals who have primary responsibility for the day-to-day operations of a Children's Advocacy Center. The course is primarily geared to address the needs of newer CAC directors, but would also be beneficial to those with more experience who are seeking to enhance their management skills.

Fee: \$49

### ACCREDITATION BOOT CAMP: AUGUST 25—26

This training is for CACs who are looking towards applying for accreditation or re-accreditation to the National Children's Alliance. The two-day Boot Camp focuses on understanding the accreditation process; NCA standards; the accreditation packet; and preparing for the site visit.

Fee: \$49

### MEDICAL TRAINING ACADEMY: NOVEMBER 5—7

This training is designed specifically for healthcare providers who have the responsibility for providing the medical evaluation for children who are suspected victims of child abuse. This training is appropriate for physicians, nurse practitioners, SANE nurses, or other registered nurses with advanced training, and physician's assistants with less than 2 years of experience in this area of health care. **This training is not intended for nurses or other health care providers whose role is to assist an examiner.** CME credits are coordinated for this training.

Fee: \$199

*Note: All Core Trainings are held on the campus of the National Children's Advocacy Center in Huntsville, AL*
