Symposium App Adoption Rate

*I thought this was a great symposium. I was very impressed with the numbers in attendance and the various jurisdictions present. I'd love to be able to attend again!*

*Honestly the best experience I have ever had during my short career in the child abuse field. I cannot thank NCAC enough for all the amazing work they do.*

*The best Symposium I've been to as a police officer. There was so many choices in what sessions to attend it was hard to pick what to go to.*
